

PATIENT PORTAL

Thank you for choosing Associates in Dermatology. You now have access to your medical information on our **Patient Portal**. This feature allows you to update your medication and medication history, as well as print/view clinical summaries related to your visits at our practice. You can also download an electronic copy of your clinical summary, as well as message our front desk or clinical teams with any questions or concerns. **Please access your portal as a means of communication with our office whenever possible. Please allow at least 48 hours to receive a response. Please call the office if it is urgent but not emergent. In case of an emergency, call 911.**

Keep in mind that there are some fields you will not be able to change; however, you may contact our office at 502-583-1749 ext. 0 and let us know if something needs to be updated.

Please follow these steps in order to connect to our Patient Portal:

You will have to access our web address through a Google Chrome or Firefox web browser. You may still access it though Internet Explorer; however you may experience some technical issues.

- Open Google Chrome or Firefox and type in the web address:
<http://www.associatesindermatology.com>
Then click on "Patient Portal"
 - **Username: first and last initial (lowercase) and date of birth**
John Doe born on March 8th, 1974 the username would be
(Ex: jd030874)
 - **Password: your last name (1st letter capitalized) and birth year**
(Ex: Doe1974)
- Once you log in, you will be asked to reset your password; however, your username cannot be changed.

If you have any issues during this process, please contact our office for assistance.

Please only direct your Intramail to:
